W. Christie (Industrial) Ltd Privacy Statement

W. Christie Industrial Ltd may collect, use and store personal data.

All data collected by W. Christie (Industrial) Ltd will always be kept in compliance with the Data Protection Act 1998 and the General Data Protection Regulation (GDPR), which came into effect in May 2018.

W. Christie (Industrial) Ltd have accepted standards of technology and operational security to protect personal data from misuse, loss, or unauthorised alteration or destruction.

Users contacting W. Christie (Industrial) Ltd through our website do so at their own discretion and provide any personnel details at their own risk.

Any downloadable documents or files made available on our web site are provided to users at their own risk.

Personal information is kept private and stored securely until it is no longer required or for as long as necessary to comply with legal obligations. Where clearly stated and where permission has been given, personal details may be used to send information regarding products and services through a mailing list.

W. Christie (Industrial) Ltd will not transfer personal data outside the E.U., sell personal data, or share personal data without prior consent.
