

Special Project Case Study

Eye Clamp Spanner

Industry Power Generation

Application

Tightening of eye clamps

Problem

Tightening of eye clamps safely & with sufficient torque

Solution

- Special socket with 'T' handle

Features

- Extended sliding 'T' handle
- Push pins for securing the spanner in place

Benefits

- Enables tightening to higher torque
- Design allows quicker tightening/untightening of eye clamps
- Lightweight design gives easier handling
- Stand alone unit
